BIBLE READING PLAN

By reading approximately 4 chapters per day, you can read the entire Bible through in less than 11 months!

GREATER LIFE CHURCH

ABOUT THIS PLAN

- By reading 4 Bible chapters requiring +/- 30 minutes of reading time per day, you can read the entire Bible in less than 11 months!
- This plan is structured to read through the Old Testament and New Testament at the same time. You'll read the first 2 columns of the plan daily to keep on track.
- The 3rd and 4th columns offer occasional supplementary reading. The ***"for Study & Reference,"*** column often includes parallel passages, themes, prophecies, and quotations from the daily reading. The ***"for Holiday & Special Observances,"*** section includes passages inspired by either a modern holiday or a biblical (Jewish) feast.
- We've included occasional catch-up days to help you get back on track if you get behind.

TIPS

- ✓ Let others know you are joining. It keeps you accountable.
- ✓ Plan on finding a friend or gather a small group to join you. Schedule a call or meetup once or twice per month to share inspiration & learnings. Check in on one another.
- ✓ Use an audio Bible as often as you like. When using one, we recommend reading along with it.

Note: Schedule begins after the annual GL Prayer & Fasting Revival
